1. Closed meetings are not full; SCA defines ‘Closed’ according to the Third Tradition of SCA, which states that "the only requirement for SCA membership is a desire to stop having compulsive sex." If you aren't sure if you're sexually compulsive, please feel free to attend any of the other ‘Open’ meetings listed above. If you have general questions about SCA, please call SCA-DC Helpline on our [website](http://www.sca-dc.org) for more information.
2. All links are Zoom meeting links conducted on the free Zoom application. Downloads are available in the Apple App Store, Google Play, or [online](#). Due to high call volume during this pandemic, busy signals can occur; check the tips at the end of this list for improved connections.

Tips for connections via Zoom.us Video Conferencing:

- Download the latest app from Zoom from [here](#) before you try to enter the meeting
- In the spirit of anonymity, we recommend participants show their first name and last initial at most
- When you enter the room, you will be placed on mute, to speak simply unmute yourself
- If you don't already have an account, we recommend a free Zoom account for all participants, it's easy to create when you are setting up the app and will make your meeting participation easier in the future
- Many additional tips and short videos are located on Zoom website [here](#)
